TOSCAN WINS THE HANDICAP

HASTINGS COLT TAKES THE FEA-A TURE EVENT AT BENNINGS.

Eastern Racing Season Opened Under Favorable Ausptees-Oaklawn's Twe-Year-Old Event-Virginia Bradley Springs a 80 to I Shot-Five Favorites Win.

WASHINGTON, March 23.-The Eastern racing season was opened at Bennings track this afternoon under the most favorable suspices. While the track was heavy and the sky was threatening, a large crowd, including many dignitaries and society people, turned out to enjoy some fair sport. High class horses were not in evidence and the racers that have been keeping in condi-tion at the winter tracks proved to be strong factors in the general result.

factors in the general result.

The track and buildings, which had been placed in apple pie order, were ready for business early, and the betting ring was crowded with layers and players an hour before the bugle sounded for the first race at 3 o'clock. Prior to the opening of the eard there was a reunion of old friends in the paddock and in the clubhouse, there being an expression of satisfaction that the season, after a long, hard winter, had opened at last.

The feature of the racing was the running of the First Bennings Handicap, worth \$1,100 of the First Bennings Handicap, world stroth the winner, which was a six furlong sprint over a track that was fetlock deep in soft going. For this reason David Johnson's Roseben, the top weight, was withdrawn early in the day, so that E. A. Whitney's Toscan, a five-year-old son of Hastings and Toscana, was made a favorite in the opening quotations at 3 to 2. But as Toscan was asked to pack 120 pounds there was an inclination to fight shy of him, so that he went back in the betting to 3 to 1, closing an equal first choice with Buttons, a castoff from the stable of E. R. Thomas, but now the property of Mr. Thomas's former trainer, Willie Shields.

Buttons had 116 pounds up and was played down from 5 to 1, having Tommy Burns in the saddle, while Toscan was ridden by the veteran, Willie Shaw. A strong tip on Divi-nation drew enough play to reduce the Horoscope filly from sixes to fours, while Trapper, the Hastings colt owned by W. H. Snyder, the trotting horseman, had a good following at 6 to 1. Sais, just from California, was

at 6 to 1. Sais, just from California, was nibbled at, especially in the show books.

When Mars Cassidy let the barrier go to a good start, Right and True, a 15 to 1 shot, with Mickey Crimmins up, rushed to the front, followed by H. T. Oxnard's Santa Catalina and Toscan, with Trapper shut off completely after the first 100 yards. This order was maintained right up to the last quarter pole, where Shaw sent Toscan to the front on the outside. The weight began to tell, however, and as Toscan weakened Shaw put him under a sharp hand ride. The Hastings coit was game to the core and in a drive he took the race from Right and True by three parts of a length in the slow time of 1:17. Right and True had three lengths to spare for the place, while in a hot finish Buttons took third money from Sais by a head. Sais made up a lot of ground in the stretch, but Buttons was too much for him. Toscan's entry was refused by the Jockey Club last year and his owner at that time was ruled off for alleged "doping." He was bred at August Belmont's stud and at one time was the property of the Columbia Stable, only to be claimed out of a selling race by James Blute, who lost him later in a similar manner.

Although Blute's Sais lost third money

James Blute, who lost him later in a similar manner.

Although Blute's Sais lost third money by a small margin in this race, his stable companions, Cincinnatus and Tim Hurst, were decidedly in evidence in other events. Cincinnatus, an even money favorite, captured the last race of the day at a mile and 40 yards in a big gallop, leading all the way and beating H. T. Griffin's Bill Curtis, who was well handled by Fuller. Tim Hurst, at odds of 15 to 1, ran second to the Goughaeres Stable's Preen, an 11 to 5 favorite, who spreadeagled his field in the first race, at six furlongs, and came home on the bit.

The first two-year-old race in the East this year was the second event, and Willie Shields's much talked of colt Oaklawn, a son of Farandole, won it in a canter. The youngster was an odds on choice and carried the money of all the wise men. Burns had the leg up, and never moved a muscle, as the colt quickly left the others and was never in danger of being caught. W. L. Maupin's Pater, second choice, had a mortrage on the place, but it was a tight fit for third money, W. H. Shyder's Anodyne, a Henry of Navarre filly taking it by a head from Mrs. R. Bradley, Baby Willie, Anodyne was shut off at the start, but Shaw gave her excellent handling. Mr. Belmont's Marksman, by Octagon—Lady Margaret, ran green.

Mr. Belmont's Marksman, by Octagon - Lady Margaret, ran green.
Virginia Bradley put a 30 to 1 shot over the plate in the third race, for maidens, at seven rurlongs, when Waddell II. made a run-away of it in the early stages. He was all out at the end, and only beat Hagamans, the favorite, by a neck. With a good start the latter could not have lost.
The first steeplechase of the season went to a favorite, J. E. Lane's imperialist, who was much the best and was going away at the end. J. W. Colt's Sandhurst, who closed on equal terms with the winner, finished second after fencing very poorly. Moon Daisy fell and Judge Fulton threw Saffel on his head. Honolulu broke down hadly in the last race. Five favorites won, and Burns rode two winners. The summaries: FIRST BACE.

NEW YORK YACHT CLUB CRUISE. Fleet Will Rendezvous at Glen Cove en

Aug. 11. The second meeting of the New York Yacht Club for the year was held in the clubhouse on West Forty-fourth street last night. It was well attended and Commedore Frederick G. Bourne presided. The programme for the cruise was arranged. The fleet will rendezvous at Glen Cove on Aug. 10. On Friday, Aug. 11, the run will be to Morris Cove. The next day the run will be to New London, where the fleet will remain at anchor

On Monday, Aug. 14, the run will be to Newport. The Astor cups will be sailed for over the usual courses off Newport on Tuesday, Aug. 15. On Wednesday the fleet will go to Vineyard Haven and the next day will start to go around the Cape to Marblehead. Friday the 18th will be a day of rest, and on Sat-urday the New York and Eastern Yacht clubs will hold a combined regatta. The cruise of the New York Yacht Club will end then, but many of the boats will join with the

Eastern Club and cruise on to Bar Harbor.
The committee, consisting of Irving Grinnell, Philip Schuyler and Archibald Rogers, who had in charge the testimonial to Com-

who had in charge the testimonial to Commodore S. Nicholson Kane, made its report and showed the members a handsomely bound volume of engrossed resolutions and a cup on which was engraved, "Presented by the New York Yacht Club to Commodore S. Nicholson Kane, in token of its high regard and grateful recognition of thirty years of faithful service. March 23, 1905."

The new rules of measurement that were passed at the last meeting of the club were finally adopted. The committee on designs for small boats reported that a class of eighteen 30 footers was being built and that the class was closed. The committee on yacht routine and signal code made its report, and the report was adopted.

The committee having in hand the question of moving the Bay Ridge station to Staten Island reported progress and said that the change would be made this spring.

The club thanked Commodore Bourne for getting the first clubhouse of the club, which is gow the Glen Cove station, and the Ladew family for presenting to the club the ground on which the station stands. P. G. Thebaud, who has a summer place at Nantucket, maintains a club station on that island, and the attention of the members was called to that fact.

The model committee reported that they

tention of the members was called to that fact.

The model committee reported that they placed models in wall sections B, C, D and E. completing the hanging of half models down to and including 1881. In addition to the Cup defenders and challengers previously reported, Robert Goelet has presented full rigged models of the Magic and Cambria. Mrs. Samuel Colt has presented a full rigged model of Dauntless, and Arthur Curtis James a full rigged model of Coronet. These two models will be rigged as they appeared in the great ocean race of 1887. The full rigged model of America as she raced for the Cup in 1881, complete in every detail, has been installed, and is on view for the first time.

Twenty-nine half models have been received since the last meeting, including models of U.S. S. Masrflower and U.S. S. Maine. Col. Stevens of Hoboken presented original models of Maria, 1846 and 1850, also models of Trouble. 1816, Wave, 1832; Onkahye, 1840; and Betty Bliss. A very handsome full rigged model of the flagship Delaware was presented to the club by Commodore Bourne.

TRACKS OF HORSES TO BE ROLLED OUT BY PNEUMATIC TIRES.

Dave H. Morris Heads a New Club to Hold Motor Car Racing on Gval Course, Straight and Chute -- Wratchester Leas: Amended-First Meet May 20.

In the wake of the horse comes the motor The runners will be missing from Morris Park this year and automobiles will compete there instead. The tracks of the famous ground where thousands have watched the thoroughbreds is to become a new home for automobile racing this summer. The wide turns and stretches and the fact that the mile can be made there with only one turn. which insures new track records for auto-mobiles, make Morris Park particularly suit able for motor ca, speeding and the proposition offered by it was too fine a one to be neglected. So the Morris Park Motor Club has been formed and arrangements made to open the place with an automobile race meet on May 20. Dave Hennen Morris, one of the owners of

Morris Park, and president of the Auto-mobile Club of America, is at the head of the new enterprise as president of the club. Horace Harding, the Wall Street broker, and J. S. Bunting, both members of the Automobile Club of America, will be vice-president and treasurer respectively, with Alfred Reeves

secretary.

In order to provide for motor ear events Mr. Morris, who foresaw the coming interest in races between them, had a clause inserted in the lease of the park to the Westchester Racing Association permitting the tracks to be used for automobile racing. Motorists familiar with the park agree that it will be an

be used for automobile racing. Motorists familiar with the park agree that it will be an ideal place for the sport, as its various chutes and straightaways, including the famous Eclipse course, will permit of races at half a mile and a kilometer and longer races at all distances.

Concerning the new enterprise Mr. Morris said yesterday: "Interest in automobile racing is growing keener every day, and the sport is comparatively new. Its continuance will bring us safer and better machines, for nothing proves the weak points in construction so quickly as driving cars at high speed. For that reason racing will teach many things to the builder and eventually bring safer cars for the general public. Most of the successful builders of Europe and America have been involved in racing, and it has now almost reached the point where every maker is required to turn out a fast racing car before his product reaches the high plane of success.

There are a great many makers building fast cars for prominent motorists, which will be seen on the tracks this year, driven by their owners or their racing pilots, who are really the lockeys of motoring. There are so few opportunities to race on the roadways properly policed and under sanction of the authorities, that racing on tracks like the one at Merris Park is being fostered. It tests the driving of the operator as well as the car, while the speed of miles well under the minute aupplies excitement for the spectators. Its dangers will be minimized at Morris Park by banking the oorners and offing the surface of the track so as to have a dustless course. This will make it asfer for the operators and more comfortable for the spectators.

The story that he has formed a racing combination with his friend O. F. Thomas is denied by E. R. Thomas. Fletcher will drive for O. F. Thomas exclusively. E. R. Thomas expects to do a good deal of his own driving.

New Scerctary of Auto Body.

Official announcement was made for the first time yesterday of the appointment of A. G. Gillette has handed in his resignation, to take effect May 1, and Mr. Batchelder will take charge on that date.

AFTER MEET WITH AMHERST. Date Season's Schedule.

To take the place of the dual track meet with Brown University, which has been abandoned, Lucius R. Merritt, '05 science, manager of the Columbia track team, is trying to arrange a meet for some time in May with Amherst at Amherst. The New Englanders are the champions of the New England Intercollegiate Association and a meet land Intercollegiate Association and a meet with them would be a severe test of Columbias athletic quality. The most important dates of the outdoor season have been decided, several changes having been made. According to the new schedule a week intervenes between the dual meets with Pennsylvania and with Princeton. It is likely that May 13 will be used for the Amherst meet if arranged. The schedule now is. April 22, dual meet with New York University, at Ohio Field, April 27 and 29, relay games of the University of Pennsylvania at Franklin Field, Philadelphia. May 13, open: May 26, dual meet with University of Pennsylvania, Franklin Field, Philadelphia. May 13, open: May 26, dual meet with Princeton, at Columbia Oval, Williamsbridge; May 26 and 37, intercollegiate championships at Franklin Field, Philadelphia.

Grim Again Stays the Limit.

Buddy Ryan of Chicago, who since the retirement of Joe Walcott is looked upon as the best welterweight in the country, attempted to stop Joe Grim, the Italian middleweight, in six rounds at Philadelphia before the National A. C. on Wednes-day night. Ryan fared no better than his

Ryan took things easy in many of the rounds, thinking perhaps that as soon as he started out he would not have much trouble in putting Grim away. But he soon realized his mistake, for when he got ready Grim was prepared also and often forced Ryan to cover up to escape his wild swings. During the first four rounds there was nothing particularly exciting, but in the fifth and sixth rounds Ryan weft at Grim vengefully. He landed hard on Grim's stomach. Grim took his punishment good naturedly and in the sixth when Ryan was tired punching him Joe sailed in and there was plenty doing. Although Grim lost on points his showing was wonderful. started out he would not have much trouble

Fitzgerald Knocks Out Sicioff.

Willie Fitzgerald of Brooklyn added another victory to his long list by knocking out Otto Sieloff of Chicago in six rounds at Kalamazoo, Mich... on Wednesday night. The mill was scheduled for fifteen rounds Sieloff jabbed the Brooklyn man repeatedly. In the second round he caight Fitzgerald hard in the stomach and it booked as if Fitzwas a goner. But he was in fine trim and recovered smartly. Up to the fifth round Fitzgerald weakened Sieloff with blows on the body and Jaw. Sieloff was not any too strong when he shaped it for the sixth round. Fitzgerald's seconds realized this and urged their man to sail in for all he was worth, which he did. After leading with the left Fitzgerald booked over the right and Sieloff went down and out.

A large crowd attended the ten round bout between Arthur Cole of Biddeford and Jesse Savage of Bath in the armory, Bangor, Me., Savage of Bath in the armory, Bangor, Me., on Wednesday night. The mill was for the lightweight title of Maine. The mill lasted the journey and was declared a draw. The fight was not exciting, although the men were clever. Savage did most of the leading, but generally failed to connect with any force, as Cole kept himself well covered.

PINERUEST, N. C., March 25.-The match play handicap tournament for the St. Patrick's Day cups, begun on Saturday, ended to-day, bringing to a close a contest of unto-day, bringing to a close a contest of un-usual interest and replete with close matches. Dr. W. E. Fisher of New York, whose handleap was 10, won the Class A trophy, defeating M. K. Waters of Lakewood, N. S., whose handleap cap was two, by 4 up and 3 to play. In the Class B-division Frederick A. King of North-boro, Mass., whose handleap was 10 won the final round from C. H. Rosenfeld of New York, whose handleap was also 15, by a secret 5 up. AUTOMOBILES.

New York Americans Meet With Their First Defeat-Score 1 to 0.

NEW ORLEANS, March 23 .- The New York Americans went up against a harder game today than they have been meeting in the South, and were shut out by a score of 1 to 0 by the home team. These Pelicans tied the Chicago White Sox in one game and beat the Philadelphia Americans twice, and are no easy marks. They could not hit the New York pitchers to-day, but their fielding was exceptionally fast. The New Yorks had men on bases frequently, but want of a timely hit on their part or a great fielding play by the locals kept them from scoring. With their hitting they ought to have won, though the only time they bunched hits was off

Breitenstein in the first inning. That first inning was an ur After Dougherty had fanned Keeler lifted a two-bagger to left. Elberfeld walked, then followed singles by Yeager and Anderson, but no runs came in. Out in right field was a man with an iron arm, Hahn, formerly of Vicksburg, and a cousin of the Cincinnati Hahn. He threw out Keeler and Elberfeld at the plate. Anderson was on first in the fourth inning, with nobody out, but the next, men could not send the ball beyond the Kleinow hit it hard, but sent it on

and the teams would have been playing yet but for Newton's costly error. Newton's pitching was very good. Two hits were bunched on him in the third inning, but he struck the next man out. Puttmann had an assortment of benders New Orleans could not touch and not a hit was made off his de-

Princeton's First Paseball Game. PRINCETON, N. J., March 23.—The Princeton baseball squad had its first practice game to-day. The team lined up on the university diamond, which has not been heretofore used this season. Ten innings were played with the scrub and the game resulted in a victory for the acrub, by a score of 4 to 3. Byram pitched for the first nine

and Doyle was catcher. Cooney, last year's catcher, was not out to-day.

Reid, who played third last year, was at Reid, who played third last year, was at short, while his old position was filled by McLean, a sophomore. Reid played his new position in capital form. This may be an arrangement which will have some duration, as Purnell, the old short, was graduated last June. Forsythe, '05, was at left field, He played this position as substitute last year. The other outfield positions were occupied by Harlan, '05, at centre, and Henry, '03, at right. Capt. Wella was at his old place at second base. Bard, '06, who substituted first base last year, filled the place to-day. The batting was good, and the expectation of the coaches to flud some promising batters among the freshmen candidates seems about to be realized.

Stevens Institute Has Crack Team-Arranges Season's Schedule.

The Stevens Institute lacrosse team is in active preparation for the approaching season, and the indoor practice of the winter has put the team in good shape. This daily scrub work took place on one of the piers of the North German Lloyd steamship company at Hoboken. In response to a call of Capt. Davis a squad of forty men reported and they have attended steadily even through the cold spell. Stevens will be coached in the outdoor work by an expert Canadian

three men could not send the ball beyond the infield. Kleinow hit it hard, but sent it on a line to Bill Phillips, the ex-Cincinnati star. After leading off in the eighth inning with a two bagger, Keeler was thrown out at the plate. Dygert, a Poughkeepsie lad, pitched the last three innings for New Orleans and was too much for Griffith's men. A wild throw by Newton to catch a man napping gave New Orleans the game.

The man went to third base and scored on an outfield fiy. Swift and accurate fielding was done by Corroy, Elberfeld and Anderson and the transm would have been playing yet. of New York at Hoboken; 15, Columbia at Hoboken; 22, Johns Hopkins at Baltimore; 29, Crescent A. C. second team at Bay Ridge.

COLUMBIA LACROSSE

Team Reorganized and Manager's Powers

Curtailed by Graduates. In order to reorganize lacrosse at Columbia the management has formed a new association, in which students and graduates are to be equally represented. So much dissatis-faction has been shown at the weakness of this sport that radical steps were believed neces-sary. The control of the finances of the team has been taken out of the hands of the manager to a great extent by the new consitution. thus preventing a repetition of the deficit which has hampered all efforts to make the team a go this season. Three graduates are empowered to act as a governing board and they have control of the schedule, the budget they have control of the schedule, the budget and the administration of the finances.

The new constitution says: The manager shall conduct the financial affairs of the association and arrange a schedule of the subject to the following limitations: He shall submit a budget for the season and a schedule of games to the graduate directors, for their approval, and shall not allow the team to play any games until such budget and schedule are approved by a majority of the graduate directors. He shall buy all his supplies, printed matter, 4c., from such firms as may be designated by the graduate directors. He shall not have the power to contract any bills in the name of this association, unless such bills be approved by the chairman of the graduate directors.

Twelfth Regiment Takes a New Departure in Athletics.

A radical departure has been taken in the Twelfth Regiment in athletics by securing an outside athletic ground for games, in addi-tion to those held in the armory, and the Twelfth is the only regiment to have an outside ground.

Under the direction of Col. George R. Dyer, commanding the regiment, a new athletic organization has been formed, to be known as organization has been formed, to be known as the Twelfth Regiment Athletic Club, and is to govern all branches of athletics. The following officers have been elected: President, Lieut T. F. Risher: vice-president, First Sergt, J. F. Dowling: secretary, Corporal M. R. Macrae: track captain, Private A. Monteverde: track lieutenant, J. J. Klernan.

The club has secured for the summer an outside ground at Barrottos Point, on the Sound, for its members. It is proposed to establish here a camp and athletic grounds, and to hold during the summer months a series of athletic games.

This club will do everything in its power to encourage the athletic work of its members, and hopes that the members of the regiment will avail themselves of the opportunity which it offers.
